Denplan Essentials

A dental maintenance plan

2021

How it works

Denplan Essentials will be tailored to fit your needs:

- Your dentist will decide the number of check-ups, hygiene appointments and dental x-rays you're likely to need on an annual basis. Treatment is always at the discretion of the practise team
- Your practise team will then let you know your monthly fee to spread the cost of your ongoing routine care
- Your payment is collected by us monthly by Direct Debit. A one-off registration fee of £15 per person may apply upon joining
- You may save up to 15% with Family Group Discounts if one Direct Debit covers more than one Denplan patient registered at the same practice and if offered by your dentist

It's a great feeling when everything's sorted

Denplan Essentials can help you keep your teeth and gums healthy. Hygiene treatment (scale and polish) is included, so you can be confident about your smile when socialising with family, friends and work colleagues. And if you want to go further, the plan includes dental advice from your dentist about additional treatment options which could enhance your smile.

Smile with greater confidence

Would you go to the dental practice more regularly if it gave you more confidence in your smile and was affordable too?

Denplan Essentials can help to make this possible, saving you time and money. It's an easy way of keeping up the great habit of regular check-ups and hygiene treatments without worrying about unexpected bills. The plan can include extras too - like worldwide dental injury and dental emergency cover (Denplan Supplementary Insurance) for only 60p per person per month.

Signing up is simple

It's not necessary to have a pre-assessment before joining Denplan Essentials. It's quick and easy to get started. Simply have a chat with your practice team and arrange an appointment.

The practice team will discuss your dental care with you and tailor a plan to fit your needs. They will ask you to sign a contract with them and complete an application form which is then sent to us.

Some Denplan providers allow patients to join Denplan Essentials online at home. Look out for the Denplan Essentials button on your dental practice's website, or visit www.denplan.co.uk/findadentist

Further information, benefit limits, exclusions and full terms and conditions can be found in the Denplan Essentials membership booklet.
